Forecast For East of England
Issued by Met Office Exeter
at 1600 on Tuesday 15 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Fine and hot, increasing risk of thunderstorms later Wednesday.

This Evening and Tonight:
A fine and dry evening with lengthy sunny spells, followed by a clear night. Mostly light winds, although perhaps breezy on northern coasts. A mild night, particularly so in urban areas. Minimum temperature 10 deg C (50 deg F).

Wednesday:
Dry with light winds and plenty of sunshine, this becoming hazy. Very warm or hot, cooler in east coastal areas. Thundery showers with hail and gusty winds pushing north later. Maximum temperature 29 deg C (84 deg F).

Outlook for Thursday to Saturday:
Bands of heavy thundery showers pushing north, with hail and gusty winds possible. These alternating with dry and perhaps occasionally sunny periods through the next few days.
